

# *ROBBINS FAMILY COOKBOOK*

*A cookbook containing recipes from members of the Elmer and Eunice Robbins Family is being compiled with the hope it will be ready to distribute at the next family reunion.*

*Anyone, any age, who has a tie-back to Mr. & Mrs. Robbins is being urged to submit their favorite recipes to be included in the cookbook. Recipes of all kinds are needed. Categories will be Appetizers, Meats, Salads, Vegetables, Desserts (or Cakes and Pies, depending on how many recipes are sent in), One-Dish Meals, and Miscellaneous. This means ANY recipe will fit somewhere. And ANYONE regardless of age is more than welcome to send recipes. There are lots of kiddoes who have their favorites and it will be really great to have those included with the child's name.*

*All that is needed is the recipe name, ingredients and directions. Personal comments about the recipes are welcome. If more than one person sends the same recipe all names will be included. If there is even the slightest variation in a recipe it will be included as a separate recipe.*

*Also needed is the tie-back to Mr. & Mrs. Robbins no matter how expansive it may be so that everyone in our extended family will be represented.*

*Deadline - January 15, 2002*

## **EXAMPLE:**

*Cooper Wayne Banning, April 9, 2001

*The dedication of the cookbook will be to Mr. & Mrs. Robbins with a short history including their birthdates, birthplace, how they met, anniversary date, and how they came to be in Portales, New Mexico.*

*The list of mailing and e-mail addresses I have is the one I obtained at the last Family Reunion. I know there have been changes in names, addresses, the addition of e-mail addresses and additions to families as well as names and addresses which were not included. PLEASE, send me any addresses and e-mail addresses you may have. And please pass this information on to members of the family who may be missed simply because I do not have the information.*

*Recipes, addresses and any other information or questions should be sent to:*

*I have found a printing company which will print and bind the books for a very reasonable cost. Because this will be strictly for family use and not for any money making project, only the number of copies needed can be printed -- the minimum being 100. Cost of each copy will depend on the final number of pages.*

*This is something for our family which can be kept, added to, and shared.*
