Dear Betty,

I'm in Mrs. Ruggie's home, waiting for my deers. I'm tired & busy and have to write this in a hurry, to mail it before the service tonight.

I got here by 8:10 this morning. I had to wait only 5 minutes at each place, but I had to walk all the way across Robertson, and more than $\frac{1}{2}$ of Alice.

I got over 2 hrs this afternoon.

I must close; I just have a few more minutes.

I'll try to come next week
Bye for now. Love you
David
