

Preacher,

Confound it Jim bought
the horse! I'm so sorry we
didn't know your flight
because we would have
sure saved him for you.

Here's a list of what else
I'll sell in case you might
be interested:

- 1- tractor - fair condition
- 1- wagon - no comment
- 1- Corn picker - " "
- 1- Welding machine - never
been used (by allan!)
- (That's a sore subject!)
- 1- horse trailer - no bottom
(and very little top!)
- 12- little pigs - unborn
(Can deliver them to you
in March)
- 3- boys - uncivilized.
- (Can deliver them immediately)

Shes! and one dog that will
throw in as a bonus!
