Dear folks,

I have just a few minutes before time to take Betty to 6-Points, so I thought I'd say "hello". "Hello."

Next week we're going to post-graduation. We'll do some bill-paying and shopping that Thursday before leaving for Alice. We should be there by 4:30 or 5:00. Don't worry if we're late.

Thursday night after graduation we're going to Mathis, for on Friday we're going to New Mexico with the Nelsons. The trip is a bumped-up one, but we're going, unless providentially hindered.

Bay O, hey! School is almost over. Betty is nearly counting the days.

I'm nearly through with all my work. I've had two females already.

Today and tomorrow I'm working at N. E. C. They're going to be 3 checks about, so they asked me to fill in for all 3. Pretty good, huh?

Well, I'd better sign off. Gotta go. Bye. We love all of you. Try to come see us.

Senny and Betty
