

"The Lord watch between me and thee, when  
we are absent one from another."

Dear Betty,

I've just finished a letter to Mother, and now I am trying to stay awake long enough to write to the girl I love. (That's you.) We've been so busy today that I've not had time to stop to think much less to rest or to write. I may have to write late each night, so my letters may skip around once in a while, but I'll do my dead level best to write every day.

Our school got off to a good start. I'm real thrilled at this business of working in G. B. & I's all summer, except I do expect to

Betty, last night it was hard to  
leave you. But, lets don't ever say  
weont each other to leave to go to do  
God's work. Lazarus and I would do if  
that. Lets just try to do our best for  
God, and ask Him to let us ~~have~~  
have each other as much as  
possible. He'll be good to us,  
as He has been so far. I love  
you, and I want endorsed you  
but you the second in my life,  
and have to be that way. He'll  
blow us in our absence.

While we were in Davis today I  
bought a record of "My Happiness".  
I'll not take the seal part of that,  
but just remember that I do have  
"A Happiness" waiting when a few  
weeks work here is finished.

Well, I must have it & better go  
to bed. I love you, and miss you.  
Good night, Betty.

Very  
Sincerely  
Sam

be able to stay a little longer.  
We had to work on some material  
for tomorrow, and so we were up  
till 12:30 on that. There was a  
Brotherhood meeting, and Bro  
Bill said we should go, and so  
there were 2 hours gone but before  
the spokesman brought a good  
message, so the time was not  
wasted.

We went to work this  
afternoon with Shiffitt and  
Sparks, and it took all after-  
noon to do all we had to do. After  
we got lined up, and more acci-  
dental to our work, we'll be all  
to get more done. Our summer  
is full Honey, and I need strength  
from God, through you and every-  
thing else He can use to strengthen  
me. Pray much for me to be an  
example to myself and everyone else.
