"Delight thyself also in the Lord; and He shall give thee the desires of thine heart."
Ps. 37:4

Dearest Betty,

I'm in a hurry to write this, and mail it before the P.O. closes, so it will get to you Wed. morning.

The Commencement last night was good. The parents did not attend very well, but it was a good service.

Today Ace and I went to Miranda and helped in the Mexican school there. I used my Spanish some, though in broadcasting over our loudspeaker about our V.B.S. It was fun. By the time summer is over I will be much better with my Spanish, if I can get over my bashfulness in using it. Pray

for me in that matter.

The principal at the First Church, Miranda, asked me to conduct their evangelistic service, so Ace will conduct the Mexican one in my stead. I feel that is best. So pray that many will trust our Jesus.

We have been working out a more solid schedule for the rest of the summer, all afternoon. There is nothing to do tonight but to fill out some reports, and go to bed.

Betty, Sunday was good for me, and I hope it was for you. I have been steadier these two days than in 2 or 3 weeks. I love you with all my heart. Our schedule is so full that I'll be coming home before I realize it.

I have just turned on "My Happiness."
I do want to hold you again, but only
at the time when I can feel that
God will let me leave this field
here to go to you. I'm glad you
feel like you do about my being
gone. It is really the only way
for 2 of God's workers to feel
someday He will let us be to-
gether all the time, if it is
His will. So, will be content
with the knowledge of our own
love, and with the prospects
of seeing each other, hearing each
other, and being near each other
this week-end, and on the other
week-ends that I can use to
go see you.

I must go mail this. Bye.
Pray for me, as I pray for
you. I love you. Your own
David
