

UNITED STATES AIR FORCE

Dear Papa,

This is another of those famous "quick notes."

I got my rope back yesterday. I decided that I had to. I don't know why. So far I have made 100 % on all my daily quizzes this block.

My phone bill is twenty - something, ~~if this is not enough~~ use the allotment, deposit the rest.

Tell Brenda I'm not going to call ~~home~~, she should be expecting a letter.

Tell Warren to write.

Dave
