Dear Davy,

Thanks for your letter of the 10th.

Before I received your letter, I had it on my program to deliver your bonds to Betty and David when they visit us next week.

The present cash value of the bonds is \$354.93, as per tape enclosed. You and your parents can decide whether to cash all or part of these bonds and they can tell me.

I think you will get some good training in the Air Force.

Best regards,

J.W. Nelson
