Betty and I want to express our deepest heartfelt gratitude to all of you who made such a visible, outward demonstration of your love and support for us recently.

In all my years as pastor of churches I have never had such an experience. All too many times truly good people simply remain silent. They think: "He knows we love him". Hearing and seeing it from you is far better than just knowing it.

I appreciate the strength and courage that is involved in such an expression of support. The Lord who said, "by this shall all men know you are my disciples, that ye love one another" must be pleased by your love for "one another". All Highlands can take note that a large portion of Second Baptist Church fulfills this standard.

FROM YOUR PASTOR, PART II - "All those kids" are a beautiful sight on Wednesday evening, at GA's and RA's. They are a beautiful sight on Sunday morning, not only at Sunday School but also after church when they come by to hug their Preacher. I feel a bit taller when one of them calls my name at school, in the mall, or elsewhere. God bless all our "kid workers".
