

Bro. Elliott is in Elsinore, California, today, to help that church in the California Encounter, a vast simultaneous revival crusade.

He has asked for your prayers. Remembering him and that church daily is your part in revival.

Br. Elliott wishes to especially thank the members of the Faith Class for the money they gave him to help in his expenses. Since he is bearing the whole cost of the trip himself, you can be very sure he is most grateful. This gift will take care of most of his incidental expenses. In this way these ladies have a real part in his work there.

Bro Elliot,  
we miss you very much  
even tho you have been gone  
a few days. we will pray for  
you and pray that you have  
a good Revival.

many I see people accept  
Jesus Christ and live for  
Him - I heard from my  
prayer partners A Mrs. Lindgren.  
will also see her, but in event  
you see her before my letter  
reaches her let her know I am  
praying for her daily and the  
last words for her & family at  
night. Faithfully yours in Christ  
Mrs. Tom & me.

Sunday Afternoon.

Dear Bro. Elliott -

Just wanted you to know  
we missed you this morn-  
ing - I assure you, can de-  
pend on The Faith Class  
praying for you morning  
and evening - Our attendance  
at S. S. was low - only 58 -  
There were some that did not  
set their clocks, therefore did  
not have time to attend.

Ira gave us a wonderful  
message - his scripture at least  
his main foundation for his  
sermon Luke 2 - 47 - 48. I am  
speaking for myself - I was  
inspired very muchly - and do  
thank our God for the message -  
may God bless the message you  
preach, & many hearts will be  
touched - feel the need of a  
closer walk with God - and a

Rev. David Elliot.
