Dear Rev. Elliott:

I am sorry for taking so long to write you this letter, but Ray and I were on vacation when Mamae died and we just returned to work this past Monday.

I can't tell you how much we appreciate the way you conducted the services for Mamae. Everything you did and said had just the right personal touch. Your services didn't make us want to fall apart with tears, but yet we were able to received through your words the feeling that you cared very deeply for her and were very sincere with each and every word.

Thank you for all of your help and kindness in our time of need and for making the burden of losing our loved one so much easier.

Sincerely,

Mr. & Mrs. E. R. Teel
