

Bro. Preacher,

Tues. P.M.

Thought I'd drop you a line to let you know I love you.

I really enjoyed our visit the other day! Those times are really special to me - I guess that's what I miss most about Hull - those times when we opened our hearts and minds to one another - that is truly what the apostle meant by "sharing one another's burdens." The times we have are pleasant and beneficial memories to me; almost like a stream of fresh water in the desert.

Preacher I want you to know that we have in common what nothing can take away - no matter how great the distance - fellowship of the Spirit which we find in Jesus Christ our Lord! That is the greatest thing two people can share and we share it freely - I look forward to the day when we can again work as a team - if God so allows it! (I hope so!) You are as a big brother to me and I want you to know that I appreciate it and love you for your openness.

To me you are one of the great men who has influenced my life greatly! Thank you for that relationship
