Dear David &amp; family,

I have given your name to a church and they are interested enough to want a resume' on you. I figured you could make up a more accurate one than I could, so, if you will make one and send me a couple of copies, I'll send them to the right people.

We are having a real good revival with Steve Brumelow, Joe's oldest son, 18 yrs. old doing the preaching. He is very mature for his age.

I need to get a date set for our fall revival and wonder if you might have a week open in October. Let me know when you send the resume'.

Hope you are all well and the Lord is blessing you and your work.

Sincerely,

*Jim & family*
