Dear Dave,

I know I have some church stationery here somewhere, but I can't seem to put my hands on it, so I'll ask you to excuse the Hebrew (at least it is not French) at the top of this paper.

And put on your calendar a revival here for Oct. 22-29. We'd like for you to be here for the 1st Sunday (for both if possible) at least. We will have morning services during the week - I'll write more later -

Sincerely,

Jim
