Dear Betty,

A man is coming by to take me to the mission 15 miles from here, where we're to have lunch. He'll be here soon, and I need to get this in the mail.

I checked on ~~my~~ a shuttle flight to D.A., and will fly on Bonanza Airlines from Ontario to D.A. I'll leave Elsinore around 10:30 Mon. am. It'll just cost about \$7, that not had. Since they're giving me the offering I don't mind the small expense, and will enjoy getting away and on the way so early.

I'm really anxious now
for the time to pass.

We had a longer camp
last night. The Holy Spirit
has really worked here, and
the church is feeling a
much needed revival.

I love you, and miss you.
I've been gone a week now,
and that's a long time.

Bye for now.
Daisy
