

Dear Mrs. Elliott,

you and
#12
is
going!

I love you! You are

very sweet. I love the
way you teach me

piano. You teach me
real good. You have a

real good sense of
humor. You're very

nice. I love going
to piano. I write

you this letter because

I remembered of you
and I have always

wanted to get you some-
thing, so I decided to

get this pencil because

you like musical notes.

You also need pencils

to write the dates on the

music. I also like

writing any of my
teachers, especially
you. Well I guess
better go. I just decid-
ed I would drop in
to say a few words.

Love ya!

Love one
another!

Love
music!!!

Love your
pianist,

Crystal
L.

Jesus
loves you
and so
do I

Trust
in the
Lord!
